

# eLearning/In-person Remote Learning Plan

Our **eLearning Plan** and **In-person Learning Plan** are **EXACTLY** the same with respect to skills and concepts covered, time spent with the teacher, materials used, expectations held for learning, and grades assigned. Scholars eLearning at home will be receiving the exact same instruction, use the exact same materials, have the exact same time on task as scholars learning in person.

Teachers will work both from home, and at school each week. This will allow them to stay connected to school, and promote a culture of family and connectedness that a remote school environment may find challenging. Teachers will work from school on either a Tuesday/Thursday basis, or Wednesday/Friday basis. On days the teacher is at home, a St. Angela School supervisor will be assisting scholars learning in person at school, to ensure the teachers directions/assignments are understood and followed, questions are addressed, scholars stay on task, bathroom requests are honored, etc.

Our administrative team below will work from school Monday-Friday. They are:

Principal	W. Bruce Schooler	<a href="mailto:bschooler@saintangela.org">bschooler@saintangela.org</a>
Asst. Principal	Kelly Busa	<a href="mailto:kbusa@saintangela.org">kbusa@saintangela.org</a>
Director of Operations	Louie Weiss	<a href="mailto:lweiss@saintangela.org">lweiss@saintangela.org</a>
Advancement Director	Donna O'Meara	<a href="mailto:domeara@saintangela.org">domeara@saintangela.org</a>
Pterice Sanderson	Enrollment Director	<a href="mailto:psanderson@saintangela.org">psanderson@saintangela.org</a>

## **eLearning/In-person Remote Learning Platforms**

Our platforms for our 2020-21 eLearning/In-person Learning are Seesaw for grades K-2 and Google Classroom for grades 3-8. Zoom will be the video component utilized by all grades.

**Seesaw:** Your scholar's teacher will send Seesaw information once the school year gets going. A great introductory Seesaw video for parents is found at: <https://www.youtube.com/watch?v=LVCxSMLbXw>.

**Google Classroom:** Your scholar's teacher will send Google Classroom information once the school year gets going. A great introductory Google Classroom video for parents is found at: <https://www.youtube.com/watch?v=N5UQ2V3nRp4>

**Zoom:** a cloud-based software program utilized throughout the world at no cost, which we will use for remote instruction and teleconferencing. A Zoom introduction and tutorial video is found at: <https://www.youtube.com/watch?v=FnFSBjFvK2o&t=154s>

**Essentials:** eLearning and In-person Learners will sign on daily to Zoom using the link provided by their teacher. The link will be sent to the email your family furnishes to the school/teacher. Please make certain your email is both up to date and fully functioning. The time to sign on will be communicated to you by your scholar's teacher. Sign on will most likely be around 8:15 AM daily.

Attendance will be taken at this time, and recorded into Power School, so scholars need to make sure they are on-line and signed into the Zoom meeting at the teacher's designated time. If problems arise, you may call our school office at (773) 626-2655, or email your scholars teacher using the email below:

Announcements will take place at that time, and both guided instruction will ensue and assignments given via Zoom. Check in meetings via Zoom will happen throughout a typical school day, which will require additional sign-ons to Zoom. Scholars need to stay on top of the assigned sign on times, and be present for direct instruction and Q & A with their teacher. Parents are encouraged to be active in this process, and oversee their scholars working to complete assignments.

Scholars, their respective teachers, in-person supervisors, parents, and our administrators are all part of the TEAM, charged with the responsibility of successfully educating our scholars at St. Angela School. We are fortunate to have the support both of the Archdiocese of Chicago and Big Shoulders. Working together, we CAN make this a successful year for these very deserving young men and women. Let's ALL do our part, and help our scholars grow in mind, body, and soul. God bless everyone!
