

## St. Angela School Volunteer Corps

Thank you for your interest in being part of the Volunteer Corps for St. Angela School. Please tell us a little bit about what you'd like to do—and what you wouldn't like to do—to help the teachers and scholars of St. Angela School. Please don't feel that you must answer all questions; we're just trying to discern how you'd be happiest in our community. Before you could volunteer with our students we would ask you to participate in Virtus training, something required of everyone who works with our children. We can arrange to have the training on our campus.
