The Big Shoulders Fund Tax Credit Scholarship Application, which is made possible by the Illinois Invest in Kids Act, opens next week **Tuesday, January 12 at 8 a.m.** A copy of the Application Tool Kit that was sent to past applicants today.

If you are not a past applicant, this information may be found at <https://www.bigshouldersfundsgo.org/apply>. This site has brief videos of how to apply, the application form itself, and so forth.

On application day, again which is next Tuesday, January 12th, you may use their **hotline by calling 312-544-8687** if needed. Don't hesitate to call them.

After application day, Big Shoulders Fund will reach out to families to complete Step Two of the application process. Applicants should look out for an email from sgoapp@bigshouldersfund.org and sgoproc@bigshouldersfund.org and regularly check their email.

Applicants have **10 days** to complete Step Two of the application once it is requested.

Our goal at St. Angela's is to get every qualified applicant a Tax Credit Scholarship!
